FARMINGTON PUBLIC SAFETY DEPARTMENT

23600 Liberty Street, Farmington, MI 48335 Tel 248-474-4700 Fax 248-442-9815

Honorable Tom Buck, Mayor
The Council of the City of Farmington
Vincent D. Pastue, City Manager

2012 proved to be no different than the past few years with many challenges faced by the public safety department. Through it all, public safety staff continued to provide the highest level of professional service to the citizens of Farmington.

We are pleased to announce for the fifth straight year that "Part A" crimes (most serious) decreased in 2012 by 13.1% and for the first time fell below four hundred incidents. As part of that, commercial break-ins were down 53.8% (13 vs. 6 in 2012), robberies were down 400% (4 vs. 0 in 2012), malicious destruction of property was down 12.2% (41 vs. 36 in 2012) and there were seven (7) residential break-ins in 2012, which was the same as 2011. Unfortunately, there was a 95.8% increase in the number of larcenies from autos (47 vs. 24 in 2011) with twenty-eight (28) of those incidents occurring on two (2) different days. I am proud to report that a suspect was quickly identified, arrested and charged in each of those crime sprees.

The public safety department responded to over 700 calls for service involving a sick or injured person and an additional 137 calls for service involving a fire related incident such as down wires, odor investigations and structure fires. In 2012 the department extinguished two (2) structure fires with an estimated property damage of just under \$140,000.00. There were no fire related injuries or deaths in 2012.

The biggest challenge faced by the public safety department in 2012 was the closing of dispatch and the establishment of a public safety cadet program. Following countless hours of planning and training, October 1, 2012 the Farmington Public Safety Department ceased operation as a Public Safety Answering Point (PSAP), otherwise known as dispatch. The records department underwent a major change by moving its office space to the former dispatch room and a records person being assigned to work afternoons. The department hired four (4) new cadets to staff the front desk and monitor prisoners when records staff were not working. This was a very difficult transition for the department and staff to work through.

It should be noted that crime data figures contained in this report may contain slight number variations. This is due to the ongoing reclassifications of incidents determined to be civil, items reported stolen that were misplaced, lost property determined to be stolen, etc.

On behalf of the proud members of the Farmington Safety Department, we again thank the city officials for your support. I am pleased to present the 2012 Annual Report.

Respectfully,

A handwritten signature in cursive script that reads "Robert Schulz".

PATROL DIVISION

The uniform patrol division was led by Commanders Terrance Purves, Theodore Warthman and Justin DuLong in 2012. Four sergeants; Jeffrey Brow, Richard Friess, Todd Anderson and Bob Houhanisin assist the commanders. Nine public safety officers are assigned to the patrol division: Richard Hennessy, Scott Herrmann, Aaron Malewski, Alan Baranski, Mark Keeley, Patrick Spelman, Shane Wash, William Wood and James Wren.

In October of 2012 this department ended its long standing dispatch center and transferred dispatch responsibilities to the city of Farmington Hills. Four cadets were hired in 2012 and tasked with the responsibility of monitoring the front desk, monitoring the Jail, and assisting officers with their everyday responsibilities so that the Farmington Public Safety Department can remain open twenty-four hours a day, seven days a week. These cadets are Alicia Trotter, Christy Cooney, Matthew Council and Paul Hughesdon. They are assisted by two fire reserves who are cross trained to handle cadet responsibilities when the cadets are not working. The cross trained fire reserves are Sean Skinner and John Dresden.

The patrol division prides itself in its fast response to police, fire and medical emergencies. Aggressive subdivision patrols and the fast response times allow officers to make arrests and prevent crime proactively. The “Apartment Watch” program encourages officers to aggressively patrol apartment complexes resulting in arrests and crimes being prevented. Patrol officers also aggressively enforce motor carrier laws as well as “drunk driving” laws which makes for much safer roadways throughout the city.

The patrol division provides numerous community policing services. For example, our officers patrol neighborhoods and issue crime prevention notices (blue cards) indicating potential criminal opportunities, hazards or concerns observed at a residence. Station tours, visiting block parties, picking up stray pets, assisting residents who have fallen, home/vehicle lockouts, selective enforcement on neighborhood streets and any other requests for assistance from citizens are just some of the services that the patrol division provides and residents enjoy. The officers of the patrol division take great pride in providing this extra personalized service to our residents.

The successes of Farmington NSU have been the result of the collaborative efforts of concerned community members coming forward with drug related tips and information, along with the drug related arrests made by dedicated department personnel.

In 2012, Farmington NSU Officers investigated eighteen (18) narcotic tips, which led to several drug related targets and a nexus to illegal drug use/sale in the City of Farmington and surrounding community.

Farmington NSU strives to work with the community, along with regional drug task forces, to suppress narcotic activity and other crimes in the City of Farmington.

2012 GRANTS AND PARTNERSHIPS

The public safety department seeks annual supplemental funding sources through grants and partnerships to enhance services and reduce taxpayer expenses. This section of the Annual Report summarizes some of the grants utilized or received in 2012.

EDWARD BYRNE JUSTICE ASSISTANCE GRANT (BYRNE-JAG)

In order to address instances of vandalism to the Sundquist Pavilion and the Shiawasse Park playscape area, the Farmington Public Safety Department applied for and was awarded the Edward Byrne Justice Assistance Grant (BYRNE-JAG) to install surveillance cameras in these areas.
