

THE FARMINGTON PUBLIC SAFETY DEPARTMENT

PAID-ON-CALL FIREFIGHTER RECRUITMENT

The Farmington Public Safety Department is looking for men and women who are interested in becoming members of a great team and organization.

Paid-On-Call Firefighter Requirements:

- 18 years of age
- High school diploma
- Valid Michigan Driver's License
- Pass Oral Interview
- Pass Psychological Exam
- Pass Medical Exam
- Pass Drug Screen

All new recruits will be required to attend and successfully pass a local Firefighter I and Firefighter II training academy in the spring of 2019. The academy includes approximately 350 hours of instruction. Training classes are offered on two evenings each week and a couple of Saturdays each month. The academy is paid for by the department and new recruits are paid while they attend training.

After successful completion of the academy, firefighters respond to fire incidents at all times of the day and night, attend required monthly trainings and other department functions. The time commitment after the completion of the academy is relatively low.

If any of this information interests you, please join us for an informational meeting on October 25, 2018 @ 7:00 p.m. in the Farmington City Council Chambers, 23600 Liberty Street. For further information, please contact Deputy Director Ted Warthman at 248-474-5500 ext. 2235.
