at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest payable on bonds called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided the City has money available for such redemption with the paying agent.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from (Here insert the first day of the month next following the date of receiving bids or the date of the bonds, whichever is later) to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

The bonds are to be issued pursuant to the provisions of Act 175, Public Acts of Michigan, 1952, and are issued in anticipation of Motor Vehicle Highway Fund payments to be received by the City of Farmington, and said bonds will pledge the full faith and credit of the City of Farmington for their payment.

A certified or cashier's check in the amount of \$1,300.00 drawn upon an incorporated bank or trust company, payable to the order of the Treasurer of the City of Farmington, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, approving the legality of the bonds. The cost of such opinion shall be paid by the City. The cost of printing the bonds shall be paid by the purchaser. Bonds will be delivered at Detroit, Michigan.

The right is reserved to reject any or all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

THE CITY OF FARMINGTON ORDAINS:

Section 1. SHORT TITLE. This ordinance shall be known as the "Dog Ordinance" of the City of Farmington, and it shall be deemed sufficient in any proceeding to refer to the same by number and by such short title.

Section 2. LICENSE REQUIRED. It shall be unlawful for any person to own, possess or harbor any dog four (4) months old or over in the City of Farmington unless said dog is licensed as hereinafter provided, or to own, harbor or possess any dog four months old or over that does not at all times wear a collar or harness with suitable tag attached as hereinafter provided. Every person in possession of any dog who shall suffer such dog to remain about his premises for the space of five (5) days shall be deemed the owner thereof. The term "dog" as used in this ordinance shall include both male, female and unsexed. All dogs shall be immunized against rabies, prior to issuance of a license under this section.

Section 3. KENNEL LICENSE REQUIRED. No person shall own or operate any dog kennel in the City of Farmington, without having first secured a license therefor. For purposes of this ordinance, any person who keeps more than four (4) dogs six (6) months old or over on any one property in the City of Farmington, shall be deemed to be operating a dog kennel. No such kennel shall be operated or maintained except in a C-2 District.

Section 4. TERM OF LICENSE. All licenses issued under the terms of this ordinance, shall be valid and operative for a term beginning the first day of January, in the calendar year for which such license is issued, and terminating on the thirty-first day of December of such year.

Section 5. APPLICATION FOR DOG LICENSE. In case of loss, duplicates of any tags may be issued by the City Clerk at the expense of the applicant.

COUNCIL PROCEEDINGS -4-

Section 7. APPLICATIONS AFTER MARCH FIRST. Any person becoming the owner after the first day of March of any year hereafter of any dog four (4) months old or over which has not already been licensed by the City of Farmington, or any person owning a dog which becomes four (4) months old after the first day of March of any year hereafter, shall forthwith apply for and secure a license for such dog, which license shall be issued without penalty, providing such application be made within thirty (30) days after applicant has acquired such dog, or after such dog has reached the age of four (4) months. Such tag shall be attached to the collar or harness upon the dog for which the same is issued, and shall be worn by such dog at all times, and no person shall remove any license tag from any dog without the consent of the owner, or the person to whom the license was issued. Such tag shall be non-transferable, and shall not be used on the collar or harness of any dog other than that of the dog for which such tag was issued.

Section 9. APPLICATION FOR KENNEL LICENSE. Any person who shall keep or operate a kennel shall, in lieu of the individual license required under this ordinance, make application to the City Clerk or his authorized agent for a kennel license, entitling the applicant to keep or operate a kennel. Such application shall set forth the name and residence of the applicant, and shall set forth the number of dogs sought to be kept thereunder. Said application shall also state the purpose for which said kennel is to be maintained, and such other information as may be requested by the City Clerk.

Section 13. DUTY TO KEEP CONFINED. It shall be unlawful for any owner of any female dog to permit said female dog to go beyond the premises of such owner when she is in heat, unless said female dog is held properly in leash, or for any owner to allow any dog to leave his premises under any conditions, unless such dog has been immunized against rabies, provided nothing herein shall be interpreted to prevent an owner taking his dog to the offices of a veterinarian, for purposes of having said dog immunized. For purposes of this ordinance, a dog shall be deemed to be under "reasonable control" when said dog is on leash or in an enclosed vehicle or container.

Section 14. RESPONSIBILITY FOR DAMAGES.
