<b>Farmington City Council Agenda Item</b>	<b>Council Meeting Date:</b> July 17, 2017	<b>Item Number</b>  5	
<b>Submitted by</b> Charles Eudy, Superintendent			
<b>Agenda Topic</b> Oakwood Cemetery above ground Crypt/Monument			
<b>Proposed Motion</b> TBD			
<b>Background</b> <p>City Administrative staff have been approached by a local Funeral Home to determine if any of the undeveloped areas of Oakwood Cemetery could be reserved for above ground Crypt/Monument. The area in question is within the old section of the Cemetery between existing lots and the easterly fence (east of lots 578-585). This section is over 100 feet long and possibly deep enough to accept the additional lots. A formal survey of the area would be required and all lots would need to be recorded.</p> <p>Proposed Requirements:</p> <ul style="list-style-type: none"> <li>• For the Crypt/Monument to be placed, the lot owner would be required to purchase one (1) full lot (four grave sites) which is a twelve foot by sixteen foot area.</li> <li>• Lot owner would be required to reimburse the City of Farmington for survey expense</li> <li>• Lot owner would be required to reimburse the City for the Deed registration/Legal fees.</li> <li>• The Crypt/Monument supplier shall be responsible for installation of the required foundation including restoration to adjacent graves, at the expense of the lot owner.</li> <li>• The Oakwood Cemetery Rules &amp; Regulations shall be amended to establish Crypt/Monument size limitations and fee schedule.</li> </ul>
